

## **LHSBPA STUDENT ACCOUNT DRAFT**

Student Account Draft provides LHSBPA with a simple financial record keeping system. A draft attests that a payment of money is authorized from the student account and that the student has the funds available. It protects both the student and the treasurer.

- A Student Account Draft is required for each transfer.
- Keep a copy of the student account draft for your record.
- Completed draft goes to the person collecting for the expense indicated.
- Draft forms available at [www.lemontband.org](http://www.lemontband.org)
