Our **Practice-A-Thon** is an opportunity for the community to see the amount of work the band students and directors put into the competitive marching program. Come out to see and hear a portion of this year's show while enjoying activities for the whole family including games, raffles, food from our concession stand, our Celebrity Dunk Tank line-up and more.

Our **Practice-A-Thon** will raise funds for this year's band program, including our upcoming contests and competitions.

Your **$10 pledge** is greatly appreciated. We could not run the program without your support.

THANK YOU!
